

Summer Course 2016

From Jul.4 (Mon.), 2016 to Jul.29 (Fri.), 2016

Five reasons for learning Japanese at IAY

(1) High quality

Students are divided into small groups between 3 to 10 persons. Learning through communicative and practical methods with well-balanced "Input" and "Output" exercise, you can develop your abilities even in the short-term. Work on interviews and data collection at department stores and subway stations near school!

(2) Low-cost tuition

Trying to meet the needs of ordinary people by providing low price, convenience, simple billing!

Course Information

A: Survival Course (Beginner)

This course is designed for complete beginners. You can instantly use simple Japanese in daily life by using Japanese you've learned in class. Having finished this course, you will be able to express simple ideas to your Japanese friends!!

B: Brush Up Course (Intermediate)

Having finished this course, you will be able to speak natural Japanese and use a variety of Japanese expressions in daily life!

C: Master Course (Advance)

This course is designed for those students who have no problems in communicating in Japanese in everyday situations. Students can gain an independency with the language while improving their knowledge of everyday spoken Japanese!!
